fighting hunger, giving hope

ALL WEEKEND

Let's Review the History of our Event...

Having lost my dad to lung cancer in early 2005, I was determined to have an event at Freeman Bay in his honor. In memory of my dad's endless generosity throughout his life, I knew I wanted to give back to my customers, as well as raise money for a good cause. Someone offered to donate hot dogs for us to give away and almost immediately "Dogs for the Cause" was born.

We found local sponsors who donated money towards the event, as well as to the charity we had chosen. With the help of our sponsors and all of the generous boaters on Lake Freeman, we have donated over \$77,000 to charities since 2005! We thank everyone involved for their support! Our event also honors my mom, Susie, who was just as much an inspiration to me as my dad. She looked forward to serving hot dogs every year just so she could chat with all of you! She will always be sorely missed at our event each year!

Lake Freeman's BIG Event

Event Reminder: STAY ON YOUR BOAT! ALL FOOD WILL BE DELIVERED TO YOU!

OUR CHARITY:

Food Finders Food Bank's
Twin Lakes Food Pantry

The Food Pantry is designed to meet the needs of families in the Twin Lakes School District at times when other resources are not available. The school administration selects the eligible families and once a month those families receive food. Volunteers work the pantry and help identify families in need. The Food Pantry is made possible through volunteers, generous donations and grants.

Why Did Susan Choose This charity?

So many people come to the Lakes from out of town and the people of Monticello open their hometown to us all summer. I wanted to shed light on a commonly unknown problem and I also felt it was time we give back to the local community. I am proud to be raising money for Food Finders Food Bank and hope to bring more attention to this fantastic charity.

CAUTION

Whether you are @ Freeman Bay or out on Lake Freeman, we urge you to always be cautious! Please know that any of our "reminders" are so we can keep this a SAFE environment for you to be in (and us too)!

Freeman Bay is not responsible for damages to your boat (or jet ski) when you are driving and hit our dock. Your boat is equipped with reverse, our dock is not. Please advise your passengers way ahead of time that in the event of your crash they should NEVER stick their arms or legs out to try and stop the boat from hitting the dock.

THIS IS A BAD IDEA!

★ AS ALWAYS, SMOKING IS PROHIBITED AT FREEMAN BAY ★
