THANK YOU for your SUPPORT

Freeman Bay is able to operate daily because you all have chosen us as your pit stop for refueling your boat or your belly! We appreciate your business and welcome you to the Freeman Bay Family!

This crew dedicates their entire summer to the boaters of Lake Freeman. They give up their summer holidays so you can enjoy yours. Over the upcoming holiday week, they will spend an insane amount of hours on their feet running up and down a dock to take care of you. Please treat them with respect and remember to be patient-they know whose turn it is and will work to get you out of here as quickly as possible!

16th Annual Dogs for the Cause

Although we still hope to raise funds again for Food Finders Food Bank's Twin Lakes Food Pantry, we have not yet determined what our event will entail this year. Please stay tuned as we continue to make the best decision for our business and our customers! We are so grateful for everyone's participation in & enthusiasm for our annual event! Thanks to all of you, we have raised and donated over \$77,000 to charities since 2005!!

Our "Dogs for the Cause" event is one we are proud to host each summer. We would not be able to have a successful event if it weren't for the generosity of ALL our sponsors that help us cover the expenses involved in putting on a weekend-long fundraiser. Every donation means the world to us, so please let us know as soon as possible if you'd like to join our list of sponsors for summer's BIG EVENT!

Cups & Lake Signs • Fireworks Gear!

Check out our Tervis Tumbler & Wooden Sign inventory on our Facebook page! See something you want to purchase? Let us know and we can bring it right to your boat!

Sarcasm & Safety Served Daily!

SAFETY Is Our #1 Priority At ALL Times (for our customers AND our employees)

Please know that we have everyone's best interests in mind!

SO: Put out the cigarettes, learn to drive and know what kind of gas you need!

Please take your time when approaching our ramps, only come in at IDLE SPEED! Approaching at high speeds can result in serious injury to yourself or others. If you aren't confident in your approach and there's a boat on that side of the dock, please wait for that boat to leave before pulling in. The ramps can become slippery from time-to-time!

BE CAREFUL when walking across the E-Z dock ramps!

ATTENTION PARENTS: Please do not allow your kids to walk, run and/or play on them.

E-Z Dock Safety

Sending a guest out on your jet ski or boat and expect them to get gas?

Do NOT send them here unless they know how to answer the following questions:

"What kind of gas do you want?"

We offer Regular, 50:1 Mix, and Premium Gas

"Where does the gas go?"

For everyone's safety, we cannot answer these questions for you or your guest.

"But I'm Just Dropping Off..."

PLEASE!! Do NOT "hover and drop off" -it ALWAYS creates chaos and often leads to injuries. We don't care who you are dropping off (mom, dad, kids, friends, enemies) or what it's for (bathroom, ice cream, ice, snacks, air pump, candy, beverages, sandwiches, sunscreen, souvenir clothes -yes we sell it all) **please** pull into one of our three spots at Freeman Bay. We know you're tired of waiting in line, but it's for **everyone's** safety.

Just remember, we're moving as fast as we can... and no one likes a boat that cuts in line!

We are still HAPPILY offering boat side service to our customers!

Translation: stay in your boat, you still can't come inside (regardless of what the state or all of your friends say)!

ALSO! We are still wearing masks! | Translation: Please stop telling us we don't need to.

Contrary to Belief, Staying in Your Boat and Not Seeing Our Smiles Will **Not** Cause You Harm!
